TRAIN LOCAL, HIRE LOCAL WORKFORCE BREAKFAST

We welcomed workforce leaders, employers, community advocates, and public partners for a meaningful conversation focused on strengthening economic mobility and creating direct pathways to employment opportunities for local residents. The event highlighted the importance of investing in local talent, building stronger employer relationships, and ensuring that workforce development efforts remain community-centered and accessible for Allapattah families.

SMITHSONIAN COMING THIS JULY

Allapattah Collaborative CDC is one of only nine organizations in the country to be part of the Smithsonian's Many Voices, One Nation project to develop a unique exhibition exploring how the many different voices of people have shaped the US. We are the only ones in Miami! Many Voices, One Nation: En Nuestras Palabras opens on July 2, 2026 at the Coral Gables Museum, in anticipation of our nation's the eve of America's 250th anniversary.

HIGH IMPACT TALKS ARRIVES IN ALLAPATTAH

In partnership with the Spain-US Chamber of Commerce, We hosted an inspiring event with, entrepreneur and leaders through the High Impact Talks series. Community members, business leaders, and entrepreneurs gathered to explore conversations surrounding artificial intelligence, business growth, and the future of community-driven economic development. The event created valuable connections while reinforcing our growing role as a hub for innovation and opportunity.

PROJECT SPOTLIGHT: *Community Planning Academy*

The Community Planning Academy, an intergenerational 6-week program helping residents, youth, seniors, and business owners better understand how development, housing, and community planning shapes Allapattah's future. \$500 Stipend will be provided to participants upon satisfactory program completion.

📍 July 14 - August 18, 2026 - Hybrid Format: Online & In-Person

PROJECT UPDATE: *Community Ownership / 3010 Property*

We continue advancing the 3010 Allapattah project, an initiative focused on community ownership, affordable housing, and long-term commercial stability. The project reflects our commitment to protecting small businesses, preventing displacement, and creating opportunities for future generations in Allapattah.

WELLS FARGO

WITH GRATITUDE

We are grateful to Wells Fargo for their continued partnership and investment in Allapattah's future. Their support helps advance community ownership, economic opportunity, and long-term neighborhood stability through transformative initiatives like the Allapattah 3010 project.
